Trying to reconcile her dark past with a zero sum present, accountant Mara Rose Donovan is unfulfilled in her relationship with Ferrar. Okay, yeah, he s a great guy, laid back, and drives a nice truck. But what s he doing for her? She s still in love with her old flame. She can t talk about this with Sophie and Ashlee, her coworkers/only friends. She could never talk about this with her deadbeat father. Even her Canadian butler -sweet, attentive gentleman that he may be- is off limits for this conversation. She knows this much: her heart needs some new music. Set against the beautiful backdrop of Missoula, Montana and the Clark Fork River, Mara Rose is the story of anyone who s ever loved someone else so much it hurt. Of anyone who s ever been thankful for the little things. Of anyone who has ever felt what needed was just beyond their fingertips.
