

Project Management in Business Context: The Implementation of Metallurgical Accounting System (Paperback)

Filesize: 5.05 MB

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written ebook. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ambatovy is the biggest green field nickel-cobalt metallurgical complex built by The Canadian Sherritt International Corporation on the shore of Indian Ocean in Toamasina-Madagascar (east coast) for which hot commissioning should be completed by end 2012. Early construction work started in 2007 but final construction work and hot commissioning were completed by mid-2012. Madagascar doesn t have neither a real mining or metallurgical culture nor an industrial one, so it was hard to find skilled local people with experience ready to operate in this up-to-date metallurgical complex. For the start-up of a new processing plant, a metallurgical accounting system to be used as a monitoring tool should be established. The metallurgical accounting system must be an elaborated software based system.
