

Royally Ruined

By Nora Flite

BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Sinful passion and delicious danger await in the second installment of USA Today bestselling author Nora Flite's Bad Boy Royals series. Scotch never runs from difficult situations. That is, until she rescues her bestie from a violent Mafia member. Now Scotch is running for her life. The only thing standing between her and certain death? The most dangerous man in the criminal underworld--and one of the sexiest. But just when Scotch thought she could keep her hands out of trouble, they end up all over Costello Badd's hot, hard, tattooed body. Once upon a time, Costello's blue blood might have ruled a nation. Instead, he is heir to one of the criminal underworld's most lethal families. Now he's risking his life and betraying his clan for one sexy, resourceful waitress with a penchant for all the wrong kinds of trouble. No matter how badly Costello wants Scotch, he can never make her his. Ever. A deliciously hot little hookup is one thing, but falling in love could ruin both of them--royally.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
