The Port Huron Statement: The Vision Call of the 1960s Revolution (Paperback)

By Tom Hayden

Thunder s Mouth Press, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. We seek the establishment of a democracy of individual participation governed by two central aims: that the individual share in those social decisions determining the quality and direction of his life; that society be organized to encourage independence in men and provide the media for their common participation . . . --from the PORT HURON STATEMENT Four key periods in American history have most influenced what America is like today: the Revolutionary War, the Civil War, World War II, and the 1960s. No document better frames and explains the 1960s than the PORT HURON STATEMENT. The statement was a generational call for direct participatory democracy in which Americans would have greater say over the decisions affecting their lives. It called for the extension of democratic principles to the workplace as well as the electoral arena. It opposed the dominance of the military-industrial complex with the hope that social movements could reform the Democrats as a party of progressive opposition. In its vision greater democracy would lessen individuals alienation. The manifesto s 1962 publication preceded the phenomena of the counter-culture, hippies and back-to-the-land. It is...
