

Beyond Blue: Creative Approaches to Releasing Grief and Flying Free (Paperback)

By MS Val Andrews

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Grief is often associated with the death of a loved one. However, there are many kinds of living losses which can cause grief, and a person s journey to recovery is as unique as the circumstances causing the grief. This book explains how creativity can be used as an aid to recovery and reconstructing life with more meaning and purpose after a significant loss. And for people who are already established in their creative practice, this book offers a number of unique exercises to enhance their approach. Part 1 explores what grief actually is - the various types of grief and what the experts say about the stages of grief and how to work through them. Part 2 of this book reveals the personal stories of several artists and writers - their journey through grief after a significant loss, and how they used their own creative process to get them through it. Part 3 introduces the concept of transformation after loss, using the butterfly metaphor. Part 4 provides several exercises and practice advice for using creativity to express and release grief...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
