Food Memories: Life in Context: Telling Your Story Workbook One

By Melissa Mannon, Susan Fay West

Archivesinfo Press, United States, 2012. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the first in a series of workbooks to help you document what is meaningful to you. This series aims to support you while you define the values and traditions you want to pass on to future generations. The workbooks will help you mold your legacy. Food Memories examines the role of food in your life. This resource will help you consider the meals, the events, and the heirloom serving pieces tools that define your precious food memories. This book is part of The Life in Context Project. The Project is building ways for you to explore your story. Help us build a community that values its heritage as a means for personal and societal growth. The things we save give shape to our lives and reflect who we are - our interests, our values, our activities, our relationships - to our families, our communities, and to future generations. Your personal papers, memorabilia, and artifacts are part of a unique individual history. Explore what your personal items tell about you. Reflect on why what you save...
