## THE BATTLE OF LIFE: SPECIAL EDITION (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Battle of Life: A Love Story is a novel by Charles Dickens, first published in 1846. It is the fourth of his five Christmas Books, coming after The Cricket on the Hearth and followed by The Haunted Man. It is noteworthy in that it is the only one out of the five books that does not have any use of supernatural elements. It bears the greatest resemblance to The Cricket on the Hearth in two aspects: that it is not a social novel and that it is resolved with a romantic twist. As is typical with Dickens, the ending is a happy one, and some might argue an overly happy one. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
