Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the fall of 2011, oil painter, Maxine Schreiber, was invited to do two solo father/daughter exhibitions in South Florida. The two shows inspired her to publish a book containing twenty of her lush landscapes and twenty-one of her deceased dad s masterful pastels. Born in Newark, New Jersey, Herman Schreiber graduated in 1934 from the Newark School of Fine and Industrial Arts. An artist who used pastels exclusively, he was a traditionalist and a disciple of the School of Ultra Realistic Painting. During his lifetime he won numerous awards. Maxine Schreiber, a member of the National Association of Women Artists, is well known in Florida where she exhibits her work. Though it contains all of the rich material of the original book, this Second Edition is a smaller version, which makes it available and affordable for all those who appreciate fine art.
