You find yourself a builder who doesn t mind bein spoken to like a lackey, and who isn t particular about bein called by their name, and I ll bet the two of you will get along just fine, but me, I m leavin . In this sizzling romance, Beau Chapman, a hunky horse trainer who is also an experienced builder, crosses swords with Nicole Harris, a spoiled, wealthy heiress. It doesn t take long for Beau to show her just how he feels about her arrogant attitude and foul mouth, and pulls her across his knee for a well-deserved spanking. Though Nicole was initially intrigued by his take-charge personality, she is truly shocked when Beau s hot hand makes her heart race and her body tingle with excitement. Beau doesn t take kindly to Nicole s demanding behavior, but as the days tick by the tempestuous diva remains an absent but constant companion, her face in the forefront of his thoughts. When Cupid pulls back his bow he shoots his arrow straight and sure, and the electricity between Beau and Nicole crackles. Salacious sex, bondage, discipline and romance fills the pages of this torrid love story.
