## Por Que Morimos?: El Problema de La Muerte (Paperback)

By Françoise de Guibert

Libros del Escarabajo, United States, 2009. Paperback. Condition: New. Language: English, Spanish . Brand New Book. From war and death to school and gender equality, the Sociedad series discusses many serious issues in a way that can be easily understood by children. Although many of the situations and examples are specific to Mexico, these books can be applied to a general readership, particularly one of Hispanic origin. Although this book addresses how death can affect individuals on a personal level, its main focus is not to address how to overcome grief but instead to help children understand this phenomenon from a social, biological, cultural, legal, literary, and political perspective. In addition to answering questions such as What happens to a dead person's body? Why do people feel sad when someone dies? and What does death in video games have to do with death in real life? this detailed investigation also discusses the death penalty as it is viewed and practiced by people worldwide and how different cultures perceive the afterlife. Desde la guerra y la muerte hasta la escuela y la equidad de genero, la serie Sociedad aborda muchos temas serios en una manera facil de comprender para los ninos....
