In an era when many are focused on end-of-the-world doom and gloom, along comes an exciting book to uplift humanity, reminding us that we are not alone and that help is already on the way. In Somethings Coming author Genii Townsend, a trans-audio visionary, shares information kept secret for 25 years. Her inner-vision journeys began in 1982 when her husband, Rev. William Townsend, a Religious Science minister, brought forth drawings of Cities of Light while in meditation. After his passing, Genii Townsend continued where he left off and the city visits are now recorded in this book. No development on earth is more fascinating than the advent of the Cities of Light, and the discussion can be traced to the middle of the last century. What, exactly, is a City of Light Much like Atlantis, it is a portal where the star brothers and sisters can come for exchange of cultural ideas, technology, art and healing. The book describes it as the unfoldment of a very large universal plan. It is going beyond the universe to an interdimensional portal of love where beings from everywhere can experience a community of love. The Cities of Light can be glimpsed with our physical eyes but are more apparent to our Third and Fourth Eyes. They are crystal cities of the future, places of peace and harmony where love prevails. As real places in the higher dimensions, people can anchor new realities and new dimensional realities within the 3rd dimension as an expanded experience. They are also for advanced healing through light, sound and color examples of what can be done by using our technologies for the good of all. The book describes...
