Brand New Book ***** Print on Demand *****.Excerpt from Tom Quick: Or the Foundation and the Capstone, Pioneer Enterprise and National Independence No happier combination of interesting events could have been made than that which attended the unveiling of the monument in honor of the first European settlers of this part of the valley of the upper Delaware. The past and the present were exhibited in striking contrast, and yet in inevitable and gratifying union - for the present springs from the past, and the development of the past of this nation, and of the colonies which preceded it, have from their small beginnings more than realized the most sanguine expectations of the enterprising men who lived at the commencement of the colonial era, and of those also who, under God, laid the foundations of our Republic. A monument to commemorate the enterprise and daring of the one, and a liberty pole and a flag, displaying forty-two stars, bearing testimony to the success of the other, present a union in partition, as they stand related to the history of our country. The growth of our government and institutions began on this continent, in the colonial period. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
