

Nothing But God: I Had Lupus But It Did Not Have Me!

By Edjuana Starr Ross

America Star Books, United States, 2008. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1990, at the age of eighteen, I was diagnosed with the deadly disease SLE, better known as systemic lupus erythematosus, that could have taken my life before reaching the age of thirty-five years old. I guess God was really on his job when it came to me because after thirteen years, three strokes, a coma, and a number of other diseases and complications, I am now thirty-five and living my life to the fullest thanks to God and a very little-known procedure known as a stem cell transplant, which should not be so very little-known after all I went through.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
