THE BOY WITH WINGS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hendon! An exquisite May afternoon, still and sunny. Above, a canopy of unflecked sapphire-blue. Below, the broad khaki-green expanse of the flying-ground, whence the tall, red-white-and-blue pylons pointed giant fingers to the sky. Against the iron railings of the ground the border of chairs was thronged with spectators; women and girls in summery frocks, men in light overcoats with field-glasses slung by a strap about them. The movement of this crowd was that of a breeze in a drift of coloured petals; the talk and laughter rose and fell as people looked about at the great sheds with their huge lettered names, at the big stand, at the parked-up motors behind the seats; at the men in uniform carrying their brass instruments slowly across to the bandstand on the left.
