

Brown Alumni Monthly, Vol. 78: December, 1977 (Classic Reprint) (Hardback)

By Robert M Rhodes

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Brown Alumni Monthly, Vol. 78: December, 1977 Brown has decided to comply with these new regulations, at least for the present, but the Corporation has reserved the right to withdraw the University from this transfer program after a year. We don't believe the federal government or anybody else ought to be accorded the privilege of establishing policy or telling us what we ought to do, said Levi Adams, associate vice president for external affairs of the medical program. What this legislation does mean is that if you don't fill what the government has said is your share then the secretary assigns someone. Brown, in fact, has several programs the Fifth Pathway and the Supervised Year of Clinical Education designed to aid Americans studying at foreign medical schools. Neither program permits students actually to transfer into Brown's own medical program, but they do provide a chance for Americans to obtain valuable clinical experience, thus enabling them to compete for internships in this country. We believe it's a national disgrace that students must study abroad,...
