*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## INFANTS, TODDLERS, AND FAMILIES: A FRAMEWORK FOR SUPPORT AND INTERVENTION

DOWNLOAD

Guilford Publications. Paperback. Book Condition: new. BRAND NEW, Infants, Toddlers, and Families: A Framework for Support and Intervention, Martha Farrell Erickson, Karen Kurz-Riemer, The first three years of life play a crucial role in setting the stage for later adjustment and success. For children with disabilities, children at risk, and even for healthy infants and toddlers born into well-functioning families, support and early intervention can foster optimal growth and development. This concise and readable guide presents a developmentally sound framework for strengths-based intervention with parents and young children. The volume is filled with practical suggestions for building positive family relationships, cultivating parental knowledge and understanding of child development, and enhancing family support systems. Also featured is an extensive annotated bibliography that describes a wealth of additional resources for professionals and parents. Grounded in research and informed by wisdom from the field, this book provides essential knowledge and skills for professionals and students across a range of health care, social service, and educational disciplines. This book will be of interest to early childhood specialists, including professionals and graduate students in school psychology, child clinical psychology, social work, special education, early childhood education, nursing, speech and language therapy, and physical therapy.
