

Mental Disability in Victorian England: The Earlswood Asylum 1847-1901 (Hardback)

By David Wright

Oxford University Press, United Kingdom, 2001. Hardback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. This book contributes to the growing scholarly interest in the history of disability by investigating the emergence of idiot asylums in Victorian England. Using the National Asylum for Idiots, Earlswood, as a case-study, it investigates the social history of institutionalization, privileging the relationship between the medical institution and the society whence its patients came. By concentrating on the importance of patient-centred admission documents, and utilizing the benefits of nominal record linkage to other, non-medical sources, David Wright extends research on the confinement of the insane to the networks of care and control that operated outside the walls of the asylum. He contends that institutional confinement of mentally disabled and mentally ill individuals in the nineteenth century cannot be understood independently of a detailed analysis of familial and community patterns of care. In this book, the family plays a significant role in the history of the asylum, initiating the identification of mental disability, participating in the certification process, mediating medical treatment, and facilitating discharge back into the community. By exploring the patterns of confinement to the Earlswood Asylum, Professor Wright...
