Lulu.com, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The world is full of tyranny and the dragons are almost gone. One man leads a crusade to exterminate them, without care for their greatness and the things they do for the humans who inhabit the land. His campaign to destroy the dragons led him to the budding town of Silver Moon. It was on that day that Elias Dunsilen encountered Severo. Elias watched as Severo and his men destroyed the beginnings of the small town. On that day, he vowed that he would see Severo pay for the crimes he committed. He sealed his vow in blood and will not rest until the dragons are safe once more. Along the way, Elias finds friends and enemies in unexpected places. He struggles to fulfill his vow and finds that the sting of betrayal is perhaps the hardest wound to heal.
