Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s only been a few weeks since reporters Joe Jonas and Abby Reno escaped with their lives after outing the cabal that killed Kennedy. Now they re on the run and all they want to do is survive. But when the road ends in a foggy coastal town in Northern California, one of the assassins is there waiting. It s Bremer, the one they thought was dead. Bremer isn t out for blood this time. Not theirs, at least. Things have gotten complicated. Now Bremer claims his name is on the same hit list theirs are on. He s got another score to settle, and this time it s personal. Sensing that the hunters are closing in, the reporters agree to a proposition. If they ll use their investigational skills to uncover proof that Bremer s boss committed a brutal murder, they can walk away. But the deal is fraught with danger. The decade-old killing is anything but ordinary. Now they re back in the crosshairs with nowhere to run. Writing the story of the century is starting to get old.
