

Cannabis Oil Cured My Cancer: The Astonishing Healing Wonders of Nature: Essiac Tea, Baking Soda, More . . . (Paperback)

By John Gabriel

Mountainstream, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I was diagnosed with stage three colon cancer which was quickly spreading through my body. I was told that if I did not have an operation to remove the tumor that I would surely die. However, if I consented to have the operation I would have had to wear a colostomy bag. I was afraid of the outcome and refused. Besides, there was no guarantee of success. It was all chance taking. I decided against the operation and opted to use cannabis oil and essiac tea. I was not sure if they would cure me but I went for it. Within three months my cancer had vanished. I did, however, have a short bout of chemo and radiation which made me very sick and both of these treatments are cancer-causing (carcinogenic). Two years later, I am doing just fine and I am not wearing a colostomy bag and I am cancer free. When I was diagnosed, I felt that I had been given a death sentence. I knew the fear, the despondency, the meaning of life's finality. It was all very bad. Please,...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
