Brand New Book ***** Print on Demand *****.Presentation is everything, so the saying goes. Spend hours making a delicious homemade lasagna from your favorite aunt s time-honored recipe, plo p it on a paper plate, and hand the recipient a plastic fork. Or, spend hours making a delicious homemade lasagna from your favorite aunt s time-honored recipe, place a perfectly shaped slice on fine bone china, garnish it with Parmesan shavings and a sprig of bright green parsley, and lay it on a table dressed in white linen. Add a glass of vintage Merlot. The more thoughtfully presented lasagna will actually taste better. What better way is there to present a hand-knitted gift item than in a hand-knitted gift box, gift bag, pouch or cozy? The thoughtfulness that went into the knitted gift can be extended to the gift wrap, and this will enhance the recipient s happiness and appreciation. In *Hand Knitted Gift Wraps*, I explain the importance of presenting a present. Well-planned presentation adds to the joy of the gift-giving experience for the gifter as well as for the giftee. I include a variety of gift wrapping ideas, shapes, and sizes. They range in complexity from a simple garter-stitch wrapping to a more complex, stranded wrapping. There are instructions for gift boxes, gift bags, and a knitted pouch in which to wrap hand-knitted socks that becomes a wearable accessory itself after the gift is opened. I add a special knitted wrap for gifting needles or a needle gauge in addition to, for example, a gift of yarn to a fellow knitter. It gets better. The wrap itself can be re-purposed as a small project bag or a hat. Yup! A hat!...
