

What a Hullabaloo!

By Phillip Whittington

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about moments, the ones from childhood. The ones in which we dared to dream, the dreams we did not fear to follow. Nothing could stop us for we were children, and impossible was a word we d not yet learnt. Some things got in the way though! Parents, teachers, dinner ladies, farmers, people with beards, but they were children once and I hope that when reading this book they remember the moments of their own, and hopefully while doing so they will forgive us, for it was the mid 70 s, we were young, and we had a plan, what a hullabaloo!.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
