Others find themselves at still a different crossroad where they are conflicted about choosing a partner-whether to wait on God, help God out, or just throw in the towel. In Wrinkled Sheets and God s Grace, author Doreen Priscilla Brown presents relevant spiritual insights into making the right choices in relationships, and she provides comfort through God to those women who have been hurt by their unwise choices. Through scriptural references, stories from the Bible, and inspirational quotations, she communicates the importance of selecting a partner who shares the same spiritual values and life goals-making sure Jesus plays a central role. Providing insight into such topics as premarital sex and living together before marriage, Wrinkled Sheets and God s Grace explains that for a relationship to be all God wants it to be, both parties have to be intentional about putting Jesus Christ first and last in all matters and be willing to function under the authority of his statutes.
