Fantastic Every Day Is Friday, United States, 2014. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Tragedy changed Kirk Axelson's life forever when his wife Donna and her sister were killed in an automobile accident, an accident that also seriously injured their daughter. Kirk was already struggling with addictions to crystal meth (methamphetamine) and pornography. He now had to raise his and Donna's two children, run their company, and deal with his addictions while enveloped in grief and loss. Kirk's final battle to shape his destiny had begun. FANTASTIC! How One Word Can Shape Your Destiny is the story of that battle. As a young boy, he endured parental abuse and sexual molestation. During kindergarten his parents discovered he couldn't read nor speak very well (later diagnosed as dyslexia.) Called stupid and bullied in school, Kirk suffered from low self-esteem, fearing people and life in general. After several suicide attempts and his best friend's death, Kirk met his wife Donna. On their 10th wedding anniversary he decided to score some cocaine to bring excitement into their marriage. That was the start of a downward spiral of a drug and pornography addiction. After Donna's death, Kirk was forced to confront his addictions. Then he discovered empowering words that changed his life. The word Fantastic! led to a renewed spiritual faith, and everything changed. FANTASTIC! How One Word Can Shape Your Destiny is an inspiring story of a man's journey from shame, addiction and self sabotage, to a victorious breakthrough, and a new life where every day is Fantastic Friday. A raw and honest memoir, fearless in its expression. A rare thing. -Kathleen McGowan, New York Times Best-Selling Author of The Expected One Kirk Axelson s...
