My Historical Introduction will show the dialect I have written herein, the which is known also as Inglis, the language of the Angles, and the Northumbrian dialect, spoken to-day in Yorkshire, and in early times from South Yorkshire to Aberdeen, is a rare and signal inheritance - the language of a race preeminently the English of the English. A modern national language is a survival of one or more of the several ancient dialects. Neither the language of the Saxons of Wessex nor the older language of the early English the Angles, whose speech was spoken from Aberdeen even down to the Midlands, came to be the nationally surviving dialect. The East Midland variety it was that survived. Tendency towards the adoption of the English now common was manifest in writers as early as Chaucer; and literary men being invariably scholars writing for those who might understand words of Greek, Latin, and French association, their English, even at a time when it yet preserved archaic early English forms, gave us a Latinized English neither purely Anglian nor Saxon. The Yorkshire dialect, which is a survival of Inglis, as its Scots writers called the language of the Angles or early English, and of what is also known as the Northern dialect, owes absolutely nothing of its...
