CITY OF ATLANTIS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. The legendary lost island subcontinent Atlantis has captivated mankind from all walks of life, for many generations. Many legends origins have been lost in the mists of time, but not the origin of the City of Atlantis. The ancient Greek philosopher Plato, was the first to mention it. Over the centuries in spite of Atlantis clear origin in fiction, multitudes of people have claimed that there must be some truth behind the myths and have speculated about where Atlantis could be found. Many Atlantis experts have located the lost continent all around the world, but Plato is crystal clear about where his Atlantis is. While many believe the story is a myth created by Plato to illustrate his theories about politics, others insist it is based on a real historical disaster. Recently two scientists who worked off the coast of Cuba, used exploration robot submersibles and have confirmed that a gigantic city exists at the bottom of the ocean. Amazingly, the site of the ancient city that includes several sphinxes and at least four giant pyramids plus other structures, is located within the boundaries of the Bermuda Triangle.
