

## Science Made Easy Ages 6-7 Key Stage 1

By Carol Vorderman

Paperback. Book Condition: New. Not Signed; Help your child be top of the class with the best-selling home-study series from Carol Vorderman. Let Carol Vorderman help your child succeed in Science. Science Made Easy is one of Carol Vorderman's series of workbooks packed with notes and tips to make learning about Science easy and fun! Follow the exercises and activities with your child to strengthen their learning in school, then reward them with gold stars for their efforts. Each title contains a progress chart so your child can keep track of all the exercises they have completed and parents' notes explain what children need to know at each stage and what's being covered in the curriculum so you can support your child. This book helps children to learn about the differences and similarities between living things, and how materials can change when forces act upon them. Developed in consultation with leading educational experts to support curriculum learning, Science Made Easy (previous ISBN 9781405363709) is a great way to improve your child's science skills - the more you practice, the better you'll be! (Carol Vorderman). book.
