Catbird Press, United States, 1996. Paperback. Condition: New. Language: English . Brand New Book. Never have two such important world figures collaborated in a biography: Toma Garrigue Masaryk (18501937), the original philosopher-president who founded Czechoslovakia in 1918, and Karel Capek (18901938), the leading Czech writer of the time. Capek interviewed Masaryk over a number of years and produced a single narrative that tells Masaryk s incredible story in a voice as ordinary yet magical as the best of Capek s fictional characters. The result is a biographical work like no other, in form or in content.
