

## The Valley of Silent Men (Paperback)

Filesize: 4.06 MB

### ***Reviews***

*This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Pearl Corwin)*

## THE VALLEY OF SILENT MEN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Before the railroad s thin lines of steel bit their way up through the wilderness, Athabasca Landing was the picturesque threshold over which one must step who would enter into the mystery and adventure of the great white North. It is still Iskwatam - the door which opens to the lower reaches of the Athabasca, the Slave, and the Mackenzie. It is somewhat difficult to find on the map, yet it is there, because its history is written in more than a hundred and forty years of romance and tragedy and adventure in the lives of men, and is not easily forgotten. Over the old trail it was about a hundred and fifty miles north of Edmonton. The railroad has brought it nearer to that base of civilization, but beyond it the wilderness still howls as it has howled for a thousand years, and the waters of a continent flow north and into the Arctic Ocean. It is possible that the beautiful dream of the real-estate dealers may come true, for the most avid of all the sportsmen of the earth, the money-hunters, have come up on the bumpy railroad that sometimes lights its sleeping cars with lanterns, and with them have come typewriters, and stenographers, and the art of printing advertisements, and the Golden Rule of those who sell handfuls of earth to hopeful purchasers thousands of miles away - Do others as they would do you. And with it, too, has come the legitimate business of barter and trade, with eyes on all that treasure of the North which lies between the Grand Rapids of the Athabasca and the edge of the polar sea.
