Oxford University Press, United Kingdom, 2012. Mixed media product. Condition: New. UK ed.. Language: English . Brand New Book. At Home With English is a fun activity workbook for children, aged 5-7 years, to do at home. Using different themes and a variety of tasks such as filling in missing letters, copying, matching rhyming words, making lists, and reordering sentences children learn about vowels, different word endings and beginnings, blending letters together, and how to build sentences. The full colour illustrations encourage using a pencil in a controlled way and improve hand-eye coordination. The illustrated step-by-step activities are simple enough for children to work through on their own, or equally perfect to do together with an adult giving encouragement. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity! This book is ideal to build confidence in writing at primary school.
