Titan Books (UK), 2016. Paperback. Condition: New. Language: English . Brand New Book. The world has been massively unappreciative of sixteen-year-old Baxter Zevcenko. He s been packed off to Hexpoort, part reformatory, part military school, and just like Hogwarts (except with sex, drugs, and better internet access). The problem is that Baxter sucks at magic. He s also desperately attempting to control his new ability to dreamwalk, all the while being singled out by the school s resident bully, who just so happens to be the Chosen One. But when the school comes under attack, Baxter must join forces with his favourite recovering alcoholic of a supernatural bounty hunter, Ronin, to try and save the world from the apocalypse. Again.
