

## The Continuing Adventures of Antanina and Tinatina: Episode Two Amazon Extinction (Paperback)

By MR Michael Thomas

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In this book, The Adventures of Antanina and Tinatina, Episode Two, Amazon Extinction, I have continued the development of the memorable ant characters my father extemporaneously narrated to my brother, sisters and me in the 1960 s. This story focuses on our two ant heroines with adventurous spirits and clever minds. Through their inquisitive and caring natures, the sisters find their way into an unusual challenge in the Amazon. They use their creativity to overcome the complexities of the jungle and persevere, while saving an endangered animal and teaching important moral lessons. My father died at the age of 93. It was our dream to have his stories in print before he passed. However, I am sure that my late mother, father and brother will rejoice knowing that these stories are now shared with the rest of the world. We hope you, and the adventurous child within you, enjoy the journeys.
