Center for Transatlantic Relations. Paperback. Book Condition: new. BRAND NEW, The Transatlantic Economy: 2014, Daniel S. Hamilton, Joseph P. Quinlan, The Transatlantic Economy annual surveys have become a standard reference for businesses, policymakers, and media interested in the changing role of the U.S. and Europe in the global economy. The 2014 survey offers the most up-to-date set of facts, figures, and analysis available on the deep economic integration binding Europe and the United States. Volume 1 describes the impact of economic and financial crises, prospects for the dollar and euro, the position of the transatlantic economy in relation to high-growth emerging markets, and the changing landscape of international innovation. Volume 2 documents European sourced jobs, trade, and investment in each of the fifty U.S. states and U.S.-sourced jobs, trade, and investment in thirty European countries. As the U.S. and Europe negotiate a Transatlantic Trade and Investment Partnership, The Transatlantic Economy 2014 will be an indispensable reference.
