Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Peter Winch's translation of Wittgenstein's remarks on culture and value presents all entries chronologically, with the German text alongside the English and a subject index for reference. It was Wittgenstein's habit to record his thoughts in sequences of more or less closely related remarks which he kept in notebooks throughout his life. The editor of this collection has gone through these notebooks in order to select those remarks which deal with Wittgenstein's views about the less technical issues in his philosophy. So here we have Wittgenstein's thoughts about religion, music, architecture, the nature of philosophy, the spirit of our times, genius, being Jewish, and so on. The work is a masterpiece by a mastermind. Leonard Linsky This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
