A shadow moved down the muddy road in pale moonlight. Its steps were urgent. A decision had been made, a course determined. The hours of deliberation were over. Noah the Water Carrier is a collection of short stories whose setting is T, a small city in Poland in the 1930 s. The stories reflect the lives of Jews and Gentiles living together in a time and place that have disappeared forever. It was a time of change and even of optimism, before the Holocaust cast its vast net over an unprepared and unwitting people.
