Brand New Book ***** Print on Demand *****.Excerpt from The Last West: A Few Facts and Illustrations of the Flower Garden of the North-West There has been much written and said in the past three years about the wonderful country to be seen in the Great North-west Territories and there unrivaled production of wheat and other small grains, but the English language cannot draw a mental picture clear enough to convince the average man of these facts who has never travelled north of the southern international boundary line or west of Manitoba, let alone never even getting as far west as Manitoba. Yet to one who has seen, it is more than passing strange than people of means, as well as those who should take advantage of these absolutely last opportunities to get a good productive farm, should not realise that it must be a thriving country. The official reports of the Government year by year prove the wonderful increase in the wealth of the West, and also show clearly that the opening of a country capable of such enormous crops, is full of..
