

A Short Life of Kierkegaard, Reissued with Lowrie's Essay "How Kierkegaard Got into English" and a New Introduction by Alastair Hannay

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

Princeton University Press, Princeton (NJ) & Oxford (UK), 2013. Soft cover. Condition: New. Dust Jacket Condition: New. Reissued Edition. New paperback, handsome new cover w/ new edges & corners, immaculate text-block exterior marred only by a small black mark on bottom edge, new uncreased binding, pristine interior handsomely printed on excellent acid-free paper * 4.94" x 7.98" x 0.78", 0.32 kg, xxv+293 (318) pp. * In this classic biography, the celebrated Kierkegaard translator Walter Lowrie presents a charming & warmly appreciative introduction to the life & work of the great Danish writer. Lowrie tells the story of Kierkegaard's emotionally turbulent life w/ a keen sense of drama & an acute understanding of how his life shaped his thought. The result is a wonderfully informative & entertaining portrait of one of the most important thinkers of the past two centuries. This excellent edition also includes Lowrie's wry essay "How Kierkegaard Got into English," which tells the improbable story of how Lowrie became one of Kierkegaard's principal English translators despite not learning Danish until he was in his 60s, as well as a new introduction by Kierkegaard scholar Alastair Hannay. * "Probably as good an introduction to Kierkegaard & his works as any that is likely ever to be produced." - Times Literary Supplement * "A remarkable phosphorescent condensation. . . . [Lowrie gives] us the very essence of the man. . . . A superb study." - New Republic * Walter Lowrie (1868-1959) played a leading role in introducing Kierkegaard to the English-speaking world as his first English-language biographer & the first English translator of more than a dozen volumes of his work.
