

A Brief Physical Geography (Classic Reprint) (Hardback)

By John W Davis

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Brief Physical Geography The authors hope that this book will be welcomed in those schools in which the time is lacking to master the bulky books on Physical Geography, while yet the desire exists to devote to the subject some what more of endeavor than is required by the few pages on this subject found in the average school-geography. Geography is considered to-day as a description of the earth only in so far as that will account for the earth as the home of man and his occupations. It seems as if we can no longer justify a purely physical geography; now we want to know how man lives and Why he lives in this or that way. The most important fact about the earth is that it is a human planet: men not only live upon it but also make a living out of it. Man changes the earth, and the earth changes man. It is a far cry from the nebulous mass that was thrown off from the sun ages ago, to a contemplated aeroplane flight across...
