Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Wrongs of Ireland Historically Reviewed, From the Invasion to the Present Time: A National Poem, in Six Cantos, With Copious Illustrations; To Which Is Prefixed, an Eulogium to Ogygia To exhibit to the world, striking marks of her extraordinary prodigality of character and thoughtless impolicy in support of legitimacy, she evinced great imbecility of judgment and foresight, through the intemperate exertion of her physical and fiscal powers, in leaguering and subsidising several of the great European States against the revolutionary eons of Gallic Liberty, to perpetuate human slavery and crush the proud spirit of popular Independence. The unequal struggle, between the powerless impotence of legitimacy, and the energetic magnanimity of the disciples of freedom, was long and sanguinary; and though war-loving Britain, in the prosecution of her favourite system, lavished profusely the blood of her triple nations, and much more than all her exhausted Exchequer could supply, in support of her darling scheme of human subjection, she finally retired from the field of strife, with blood-stained, unsubstantial glory and empty honours, to brood over the calamities and fatal consequence: of an undischageable national debt, that still hangs like a deadweight upon her civil resources, to chasten her inemciat impolicy, and chew her the delusive temerity and inutility of promoting wars unconnected with her popular interests. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
