She cant handle a serious commitment, but casual affairs dont do it for her either. So shes resigned herself to being alone. Her high-priced call-girl roommate Jeanine has other ideas. She persuades Samantha to take her place for one night with Dylan Krause, an incredibly hot prospective client recovering from a messy divorce. She says itll be good for Samantha to be with someone without her usual expectations and complications. Its more than good. Its intense, extraordinary, and emotionally devastating. During their long, intimate night together, they bare, not just their bodies, but their souls. But after that one amazing night, Samantha flees. This feels too real for her. And yet she cant forget Dylan, even though she tries. Then one day, he walks into the architecture firm where she works. Seeing him threatens to destroy the careful walls shes built around her heart--and this time she cant run away. This item ships from multiple locations.
