Two Okapis Productions, LLC, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Fatherhood in 40-Minute Snapshots is a collection of parenting articles that explore the challenges and joys of being a father. Each snapshot, written during the author's 40-minute commuter train ride to work, reveals a particular moment in time: preparing for the birth of his twins, what he wished he'd known before their birth, getting them to sleep through the night, and discovering new ways to bond with them. The snapshots also reveal the difficulties in keeping a marriage alive through parenthood, and in determining what it truly means to be a good father. In this honest and revealing collection, readers will find bite-sized chunks of insight into the realities of parenting life woven with morsels of humor.
