Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Recreations Mathematiques, Vol. 3: Le Calcul Digital; Machines Arithmetiques; Le Cameleon; Les Fonctions de Points; Le Jeu Militaire; La Prise de la Bastille; La Patte d Oie; Le Fer a Cheval; La Jeu Americain; Amusements par les Jetons; L Etoile Nationale; Rouge Et Noire Quelques - unes des questions qui composent ce Volume ont fait l objet de travaux anterieurs de Lucas; mais, pour la plupart des lecteurs, elles n en seront pas moins inedites, en fait, car il serait bien difficile de se procurer les collections des recueils ou les travaux dont il s agit ont ete inseres. C est assez dire que nous comptons que ce troisieme Volume obtiendra du public scientifique la meme faveur que les deux premiers. Le quatrieme Volume, que nous nous occuperons prochaine ment de faire succeder a celui - ci, et dont le manuscrit est entie rement de la main de Lucas, comprendra egalement sept recrea tions. On remarquera peut-etre l absence des dedicaces originales et souvent profondes, sous leur forme humoristique, que Lucas avait coutume de mettre en tete de ses recreations. Les notes laissees par lui a ce sujet ne nous ont pas permis de les reconstituer d une maniere sure, et nous n avons pas voulu nous en fier a des renseignements plus ou moins hypothetiques sur ses intentions plus ou moins probables. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
