Brilliance Corporation, United States, 2011. CD-Audio. Book Condition: New. Unabridged. 152 x 130 mm. Language: English . Brand New. In nearly three thousand BBC broadcasts over fifty-eight years, Alistair Cooke reported on America, revealing our country's complexities and idiosyncrasies to a global audience. He was one of the most widely read and widely heard chroniclers of America - the Twentieth Century's de Tocqueville. Shortly after the bombing of Pearl Harbor in 1941, Alistair Cooke, a newly naturalized American citizen, set out to see his country as it was undergoing monumental change. He wanted to see what the war had done to people, to the towns I might go through, to some jobs and crops, to stretches of landscape I loved and had seen at peace. Working throughout the war, Cooke finished *The American Home Front* as the atomic bomb was being dropped on Hiroshima. His publisher thought there would be little interest in books on the war, so it was stuffed in a closet. It stayed there for almost sixty years, nearly forgotten, until it was unearthed shortly before Cooke's death in 2004. *The American Home Front* is a fascinating artifact, a charming travelogue, and a sharp portrait that shows America changing from civilian pursuits to military engagement, from the production of consumer goods to materials of war. It is also a unique record of American life. Cooke travels small highways, with their advertising signs and their local typography, in an age before the interstate highway system. He chronicles the regional glories he encounters, elements of long-lost culture such as his beloved soda fountains, and the reactions of the citizens, from indifference to grief, from opportunism to resilience under military threat. Filled with touching personal stories of the effects of war, from a Japanese family facing internment...
