Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

BREATHING IN COLOUR

Paperback. Book Condition: New. Not Signed; Your child is missing - presumed dead.' Hours after receiving the phone call that every mother dreads, Alida Salter flies to India to search for her backpacker daughter. The discovery of disturbing collages in Mia's hotel makes Alida suspect a connection between the disaster that fractured their relationship thirteen years ago, and Mia's recent, mysterious disappearance. Mia is no ordinary girl. Growing up with the sensory condition synaesthesia - where she sees the world in a kaleidoscope of shapes, colours and smells - she has gone through life with the vivid imagination of an artist, but for years she has shouldered an overwhelming burden of guilt. It has been a difficult relationship, but now comes the toughest test of all. Alida must find the courage to trust her maternal instincts, or lose her daughter forever. book.
