By Fee Lyne

Feedaread.com, United Kingdom, 2016. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book ***** Print on Demand *****.In our hectic world it is not only humans who suffer but life for stray cats is indeed bleak and harsh. Dangers wait around every corner and in this tale of two such abandoned souls the road they traverse is fraught with problems. Written from the first person by someone who has spent a lifetime studying felines we enter the world of cats and experience their emotions that mirror our own so closely. We travel hopefully through all Gabriel and Fleur s adventures learning as we go about cat behaviour and their take on us. Amusing and unusual this story will enthrall both the experienced cat lover or those for whom the world of felines is, as yet, unknown.
