

Stance: Ideas About Emotion, Style, and Meaning for the Study of Expressive Culture

By Harris M. Berger

University Press of New England. Paperback. Book Condition: new. BRAND NEW, Stance: Ideas About Emotion, Style, and Meaning for the Study of Expressive Culture, Harris M. Berger, Why does music move us? How do the immediate situation and larger social contexts influence the meanings that people find in stories, rituals, or films? How do people engage with the images and sounds of a performance to make them come alive in sensuous, lived experience? Exploring these questions, Stance presents a major new theory of emotion, style, and meaning for the study of expressive culture. In clear language, the book reveals dimensions of lived experience that everyone is aware of but that scholars rarely account for. Though music is at the heart of the book, its arguments are illustrated with a wide range of clear examples—from the heavy metal concert to the recital hall, from festivals to dance, stand-up comedy, the movies, and beyond. Helping ethnographers get closer to the experiences of the people with whom they work, this book will be of immediate interest to anyone in ethnomusicology, folklore, popular music studies, anthropology, or performance studies.

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- Alta Kirlin

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
