

The Handbook of Brand Management (Hardback)

Filesize: 3.75 MB

Reviews

Very helpful for all type of individuals. It is amongst the most incredible ebook i have got study. I am just very easily could get a satisfaction of reading a composed publication.

(Mikayla Romaguera)

THE HANDBOOK OF BRAND MANAGEMENT (HARDBACK)

The Perseus Books Group, United States, 1993. Hardback. Book Condition: New. New.. 231 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.Establishing a brand name is the goal of anyone introducing a new product, and maintaining a brand over time is even more profitable. Established brands are now major corporate assets, as shown when Philip Morris bought Kraft for four times its book value. The Handbook of Brand Management explains the ins and outs of managing brand names in todays fast-changing, competitive marketplace. Developed by marketing expert David Arnold to answer managers actual questions about brands, this essential guide combines expert advice with the stories of thirteen successful companies from around the world. This book describes how to research, target, budget, and promote new brand. It presents detailed analyses of marketing plans used in situations both good (how did Anheuser-Busch introduce Michelob Dry so successfully?) and bad (how could Perrier survive the benzene scare?). For established brands, managers learn tactics to reverse a market-share decline, to extend brands internationally, and to appraise a brand names financial value. They find insights in the examples of Schering-Plough stretching the Coppertone brand to include sunscreens for children, Birds Eye freezing out competitors by how it positioned a new meal in consumers minds, and many other popular brand-name products.
