The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Bolinda Audio, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The Merry-Go-Round in the Sea allows us a precious glimpse into a simpler kind of childhood in a country that no longer exists. In 1941, Rob Coram is six. The war feels far removed from his world of aunties and cousins and the beautiful, dry landscape of Geraldton in Western Australia. But when his favorite, older cousin, Rick, leaves to join the army, the war takes a step closer. When Rick returns from the war several years later, he has changed and Rob feels betrayed. The old merry-go-round that represents Rob s dream of utopia (the security of his family and of the land that is his home) begins to disintegrate before his eyes.
