Excerpt from Third Annual Report of the Commissioners of Railroads to the Governor of North Dakota: For the Year Ending December 31, 1892 Dear sib: In compliance, with the provisions of law, we herewith respectfully submit the Third Annual Report of the Commissioners of Railroads of the State of North Dakota, for the year ending October with detailed reports from the various railway companies operating lines of railway in this State. We respectfully call your attention to our letter of transmittal set forth on pages 3 to 6 of our Second Annual Report for the year 1891. This personal inspection, extending over every station, upon all of the lines of railway in this State, has shown us that there is a constant tendency toward improvement and the maintenance of neat, orderly and clean depot buildings and grounds. Some of the station houses that have been erected are of unique and picturesque designs, and are in pleasing contrast to many of the older ones, being of the kind that helps a town and builds up and advertises the railroad as well.
