THE CRUCIBLE OF MODERN THOUGHT

Createspace, United States, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is an outgrowth of a series of articles originally published in The Progress Magazine under a pseudonym, in which I sought to account for the prevailing mental unrest regarding subjects of religious and philosophical import. These articles attracted much attention from careful students of the times, and there have been many requests for the republication thereof in book form under my own name. Accordingly, the publishers of the articles requested me to revise the several papers, and to add thereto such further matter as I might think proper. I have gone over the original articles, taking away a little here and adding much there. Several entirely new subjects have been considered and inserted in their proper places in the text. At least one third of the present book is entirely new, having been added to the revised form of the original articles. I have purposely quoted freely from good authorities, that the reader may have the benefit of the thought of a number of competent persons upon the various phases of the subject, in addition to what I have personally thought and written. I have sought merely to tell my story in a plain, simple manner, without any attempt at fine writing, literary excellence, or display of technical philosophical knowledge. My desire has been to place in the hands of the everyday busy man and woman a book from the pages of which they may gain a general knowledge of the causes of the modern mental unrest-an idea of what is going into this great melting pot of thought; what is happening there; and what is likely to be poured forth from it. To many, the...
